I'm so sorry [REDACTED] a late start to the day (we have a sick cat and were doing a hospital visit down to the vet's!) meant that I didn't check the emails. Just fond yours now. Apologies but if Jeffrey can do 1.0 pm. EST that will be perfect. Perhaps we should have left this for another ten days when we will be in the same time zone, visiting our daughter in Old Deerfield, MA. But meanwhile, 1.0 pm. EST is fine for Peter and hope it's not inconvenient for Jeffrey.

No worries Elizabeth...I had actually sent an email early this morning asking if we could change the 11:30 to 9am...Jeffrey can no longer do 11:30am EST today so we were trying to change before he left the house...but lets focus on later! If Peter can do 1pm EST that would be super...Please let me know..thanks

Sorry [REDACTED]. Clearly a time confusion. We meant it to be 11.30 EST – your time – today, which would be 16.30 our time. Peter can do any time from now on except between 5.0 and 6.0. As soon as you like.

What is your Skype ID? Jeffrey's is: jeevacation

Thanks! Lesley

That would be great Lesley, many thanks. It would have to be Friday, when I can manage any time except between 17.00 and 18.00 (that is UK summer time). I think you are five hours behind us in the UK, so what about any time between 9.0 a.m. and 12 noon your time, if that suits Jeffrey? If it doesn't we can make it Friday afternoon (your time).
Best wishes
Peter

Good morning Peter. Might we be able to set up a time to skype with Jeffrey today, tomorrow or Friday? Please let me know if your schedule allows. Thanks so much.
