any chance the sheets are ready at the cleaners? or might you have time to buy an extra set today? we would have to get them pressed though...

Hey [REDACTED]...we are in a bit of a squeeze...Terje is arriving tomorrow to stay in Svet's apartment 3M...we are getting it ready to become a guest apartment...the sheets that arrived back from the cleaners have stains on them...might you have an extra set of pressed sheets that Leo could use to put on the bed? he is there now...we can buy a new set and either give them to you or give you back yours...but we dont have time to go out and buy some now...
