Great!
Thank you so much!

For now JE wants Bobby to stay in ██, so ████████ will move in ██ I'll move from ██ in ███

I'm gonna be moving on Sunday, I have day off for this.
I guess it won't take ████████ long to move in 11P as well

And we just need to clean ██ and ███ for guests

Spet 28-Oct 8 Yoni in ████████

I know Jeffrey wants Ion to come and stay…Ion can come as early as Oct. 6. But Jefffrey also wants ████████ the maid to have a place. Ion could stay in 3M after Yoni leaves Oct. 8. ███████ could move in to 11P after Bobby leaves Oct. 9.

Basically this means the 2 new guest apartments (██ and ████) will have a long term guest (Ion in ███) and a new employee (████ in ████   Once again, I am not sure when ████████ is leaving so ██ s taken…and I am not sure how long Lyn will be in ███ with her family…
