Hi [REDACTED]...we are getting apartment 3M ready for Terje's arrival tomorrow....we need a coffee maker for the apartment... [REDACTED] says we have an extra one in 7J (where [REDACTED] is staying) Should be located in one of the cabinets and still be in the box.. Can you please go to 7J and get this and put in 3M. I am not sure if [REDACTED] is there or not...knock first of course...but you can go in: 13579.

Also just check the whole kitchen for things that might be needed...since it has not been a guest apartment you may need to buy salt and pepper, etc...for sure get some coffee and filters (check the machine to buy the right stuff)...

thank you!
