Subject: Re: Lyn ...results of scan?

Oh so sorry, I did not realize you sent me an email earlier.

Well, she was walking around again and she seems to have more energy, she's been eating without vomiting. She's also getting the 2nd round of chemo tonight (keeping my fingers crossed) and we'll wait tomorrow to see happens.

Thanks

Merwin Dela Cruz

Sent this earlier today ...makes me worry I didn't hear back ...

Hi Merwin...just wondering if Lyn rec'd the results of her scan? can she eat? she was SO much better the other day! really nice to see her as she was talking, walking, smiling...much better than the last time i saw her...
