Hey Bella...you may want to call Amex and alert them Jeffrey's amex will be used in Tokyo and Kyoto (Sept 21-Oct 5)...I had to scan and email the front and back of his card and he is paying for ALL of Karyna and [REDACTED]'s charges at the hotel, car transfers and bullet train tickets...hopefully if you give Amex the 'heads up' there won't be any fraud alerts and stopping of card type stuff...
