Totally agree on train tickets. I think once you get to hotel and settled in your first stop is to the concierge to discuss train, tours, get maps and acclimate yourselves with area and what is going on. Seems to me they are very organized and on top of things. I will print and fill out form for the transportation to/from airport today once at 71st.

Hi Lesley,

Thank you so much for your help with our trip. I saw the message from the grand Hyatt regarding transportation and trains. Thanks so much for arranging it!

Looks like the train tickets should not be a problem, so it might be better we just ask for it when we are at the hotel, like they said, since we will have a few days there anyway..
