Gabrielle in Dr. Mechanick's office says they tried calling your cell yesterday but rec'd VM...she left a message (?) She says Dr. Mechanick is not in the office today but said he will give you a call...I asked that she please call me to let me know around what time we can expect the call so we can be ready...It will be after 1pm today but I would like a more specific time...

will keep following up after 1pm if I do not hear from her!
