Hi [REDACTED]! We will need you to pack up your things and move to 71st street this Friday Sept. 16th...you will stay there at least for over the weekend...

I will need to have the apartment cleaned Friday around 10am...you can certainly move to 71st on Thursday 15th if your schedule will not allow for Friday morning...

Please let me know so we can be sure and get all situated!

Thank you,  
Lesley
