I believe it is:

[REDACTED]

Hi Lesley ,
Since I stopped work for Peggy , Jeffrey told me to send her a gift .
Question is if you have her apt . Address !?
because usually she's not at the office and when she's not there and receiving any present , her personal assistant usually opens it and they gossip w girls who/ what has sent to her . What I'm trying to say I don't want them to do w my present as well . That's why I'm thinking best is to send it to her place and if she's not there just leave it w doorman .
I was sure I have her apt address but looked it up now and I don't .
Thank you !!
