Hi [REDACTED], sorry for the delay. Yes, we would love to stop by. I'm pretty certain we will get into to New Mexico later on the afternoon of the 17th, so could be at the ranch on the morning of the 18th. Driving schedules are hard to nail down but I'm pretty certain. I will need directions again. We will be coming from the east on interstate 40 and assume we would head north on 41, if I recall correctly. Directions would good. :)
Please thank Jeffrey for us, we would love to look at the geology again. Sorry to hear he won't be there.

All the best,

Jack
