I called and gave Jeannine Jeffrey's Amex # so we can nab those rooms...she is slightly concerned re our date change...we are keeping fingers crossed it won't be an issue...she also said by tomorrow we should have a name and email address of a VIP concierge for you to work with there re tours, etc....

I also have Natasha faxing Jeffrey's Amex # to the Kyoto hotel for Sept. 26-Oct. 1st..once again, we will hear tomorrow as they are asleep now!

I think it is GREAT you will be able to visit with Joi's wife on Sat...hopefully she will be able to help you with fun things to do and see while you are there...
