[REDACTED] will speak to Equinox and get back to us regarding a membership.

Re the doctor [REDACTED] doctor is Dr. Morrone..I called and spoke with Karyna at the front desk...they do not have late hours and they do not have weekend hours...perhaps it is best if you call and make your own appointment since you know your schedule best? I have told Karyna we will pay for you appointment..once you decide on a date/time I can then call her back and get you paid up! The phone number is: [REDACTED]...or if you have a day that you are free, just let me know and I can make the appointment.

sounds like you are busy with school over the next few days...let me see if [REDACTED] can run to the office for you and pick up the money and give to you tonight at the apartments...I will let you know! thanks, Lesley
