Subject: code for your apartment...

Hi [REDACTED]...is the code to your apartment still 4569? If not, please provide...I want to have your apartment cleaned and ready for guests once you are ready for me to do so...please tell me what date I can have done so I can hire Monica the maid or perhaps have [REDACTED] do it if Jeffrey is not around (we need apartment ON Sept. 17th for Terje...so cleaning must be done before...)

thanks!
