Hi Lesley, sorry for the delay. Yes, we would love to stop by. I'm pretty certain we will get into to New Mexico later on the afternoon of the 17th, so could be at the ranch on the morning of the 18th. Driving schedules are hard to nail down but I'm pretty certain. I will need directions again. We will be coming from the east on interstate 40 and assume we would head north on 41, if I recall correctly.

Directions would good. :)
Please thank Jeffrey for us, we would love to

look at the geology again. Sorry to hear he won't be there.

All the best,

Jack

Hi John...just circling back...might you and your student like to stop at Jeffrey's ranch for lunch on the 17th or 18th?

Even though Jeffrey will not be there, he also says to give you full access to the ranch...please let me know so we may organize...thank you! Lesley

Hi Lesley, one of my students and I will be passing through Santa Fe around the 17th or 18th of this month, and I was wondering if Jeffrey is at his ranch this time of year? Good time for geological adventures!!

Hope all is going great in your world.

All the best,

Jack
