Hi Karyna,

Not a problem – I will leave the keycard, along with an extra key, at the front desk for you before I leave on Friday. The mailboxes are in the little room with the printer/copier/office supplies directly next to the kitchen.

I unfortunately won't be around on Saturday, but please don't hesitate to let me know if I can be of assistance this week.

Regarding lunch orders, there are a number of local delivery / pickup places (Thai, Indian, sandwiches, etc.) that will be able to accommodate you day-of if you'd prefer to wait and see what type of food people are feeling like eating on Saturday; otherwise if you let me know what cuisine is desired, I'm happy to make suggestions for pre-ordering!

Hi Katherine,
Thank you so much! if you could leave the key at the front desk, that would be great! And I will certainly leave it where you tell me at the end of the day.
Karyna.

Hi [REDACTED],

We do have an extra key card that I'm happy to either leave with Martin or at the front desk for pickup anytime after 7:30a, whichever works best. Is it possible for Karyna to leave the card in my mailbox before leaving at the end of the day?
