Hi Natashamad dash this morning to add the connecting flight from Miami to STT for the 4 Paris designersnot sure why, but Jeffrey asked me to do this. Apparently some of the designers upgraded themselves at CDG this morning so they have new record locators (below)my question to you is why are we paying \$806.90 for coach and \$1495.00 for Biz seats when the AA website has these flights at \$147 for coach and \$484 for biz? Why is Amex charging us so much to add this connecting flight to the itineraries? let me

know..thanks, Lesley

Hi Natasha- mad dash this morning to add the connecting flight from Miami to STT for the 4 Paris designers- not sure why, but Jeffrey asked me to do this. Apparently some of the designers upgraded themselves at CDG this morning so they have new record locators (below)- my question to you is why are we paying \$806.90 for coach and \$1495.00 for Biz seats when the AA website has these flights at \$147 for coach and \$484 for biz? Why is Amex charging us so much to add this connecting flight to the itineraries? let me

know..thanks, Lesley

Hi Natasha mad dash this morning to add the connecting flight from Miami to STT for the 4 Paris designers not sure why, but Jeffrey asked me to do this. Apparently some of the designers upgraded themselves at CDG this morning so they have new record locators (below) my question to you is why are we paying \$806.90 for coach and \$1495.00 for Biz seats when the AA website has these flights at \$147 for coach and \$484 for biz? Why is Amex charging us so much to add this connecting flight to the itineraries? let me know..thanks, Lesley
