apartment. The apartment is furnished and the kitchen is fully equipped. The unit also has wifi and a TV. Building The building has laundry, trash and a bike room. In order to get in to the building, you need an access card, so this place is very safe. Neighborhood The apartment is in a vibrant neighborhood, right by East Village. You will find a quiet park and fountain in the middle of the building complex, but outside of this area, you have restaurants, cafés and stores – back to back. Transportation The apartment is right by the L-train on 1st Avenue, and you can also walk to Union Square where you have the L, N, Q, R, 4, 5 and 6 trains.
