How about 4:30? I would still need to double check, but let me know if that works to begin with. 7:30 won't work.

ha! that is Jeffrey!! He has someone coming at 6pm so I don't think 6:30 is good...perhaps 7:30pm?

Actually, Leon is not ready to speak to him just yet, so I just called you and Jeffrey picked up and I asked him what a good time was for him and he said 6pm and then hung up, but 6 pm is not good for Leon. Would around 6:30?
