Great news on Ari! I will pass along to Jeffrey. May we please schedule you 5pm on Sept 6th? Jeffrey's home (9 East 71st Street between 5th and Madison)

I will initially be placed with his talent and capital sourcing team to get used to the market and will dip into the quant and operations side a bit later. I also asked about payment and he said he'd get back to me on that. Overall, I think it's going to be a great learning opportunity and am really looking forward to it!
