Hi [REDACTED]
How are you?
Actually I couldn't start to painting yet
Because I have some situations for my status to being United States. I think I need two more months to update the progress at least.
I'm so sorry about the delay.
Please understand my situation. I think I can finish the painting by end of October.
I'll let you know the progress in next month.
I'm sorry again
Thank you

Best,
Kyeong
