Hi [REDACTED]  
How are you?  
Actually I couldn't start to painting yet  
Because I have some situations for my status to being United States. I think I need two more months to update the progress at least.  
I'm so sorry about the delay.  
Please understand my situation. I think I can finish the painting by end of October.  
I'll let you know the progress in next month.  
I'm sorry again  
Thank you

Best,  
Kyeong
