Good Morning all,

Attached you find the Latitude / Longitude coordinates for the Blithewood lading area we have used in the past. If there is anything else required please let me know. As soon there is a plan as far as arrival and departure I will need to know to make arrangements with our local volunteer fire department for coverage of both.

Thanks,

Randy

Hello Richard,

Would you be able to send us the coordinates  
or a Google Earth pin of the exact landing  
spot as well as a point of contact at Bard so  
that we can set it up on our end? Thanks.
