Greetings Sir,

Mr. Lemire was out of internet range and his meeting went to 3:30 pm.

He is sending you an email about today, and wanted to know if you wished to still speak with him today.

Respectfully, Daphne

Good morning Mr. Trivers,
Mr. Epstein requested that I schedule a phone call with you today, August 4 after your Lunch meeting.

Would 2:15 pm this afternoon be a good time for you and Mr. Epstein to speak?
