ok thanks...

I visited [REDACTED] yesterday for over 2.5 hours...we went through the gamete of emotions, but I would say she is surprisingly upbeat and discussing her future! (talking about work a lot and saying she wants to retire at 68...) She was nauseous and dizzy due to the medicine but sat up the entire time I was there...she was exhausted by the time I left and said she was going to sleep...She has a nice view of the river and can see Roosevelt Island from her bed...I just completely and totally hate this for her...really sad and wish her well...but I just don't know realistically if it's possible.
