Subject: [REDACTED]-need address of where you are!?

Hi [REDACTED]. I understand you and your friends have left the camp that [REDACTED] was to pick you up from. Have you been in touch with [REDACTED]? Did she find you? May we please have the exact address of where you are now? Does anyone in your group have a cell phone number that works?

I am hoping you have all connected and are on the way back to NY city by now. Please let us know.

Thank you,
Lesley
