Subject: 7J

Morning Rich. Lyn is having a biopsy of her liver today so Tes is filling in at the house for her. I have asked if we can get 7J cleaned and turned around for you somehow (with Leo's help perhaps) before 5pm. Waiting to see what they say. Jeffrey does have a meeting out of the house around 2:30/3. But wanted you to know! Hoping they can get over there today
