Subject: Recap

Hi [REDACTED],

This is to confirm that there will be a sandwich platter, fruit, cookies, and water at Leon's house for them to have there or take with them if they are not hungry yet. I will also be bringing boxed lunches to the pilots.

I will take everyone to Leon's house to say hello, and I guess they will stay there until going over to the venue for the 2 pm performance. As soon as it is over, we will get them back in the car and off to the helicopter.

Thanks,
Catherine
