I suppose it is good to have the camp number just in case! I doubt the driver will need to call but ...you know...just in case!

Hi [REDACTED]...I don't think that should be a problem at all! I don't know if Jeffrey will be in town or not when you are here...hoping he will know his schedule soon. He has an apartment you will stay in...the address is [REDACTED] Street, NY, NY 10065. The building has a doorman and its in a very safe neighborhood on the upper east side of the city. I've stayed there myself lots! Do any of your friends have a cell that works by chance?

Ok awesome thanks so much. So the address is [REDACTED]. But we have to leave camp in the morning because we are quitting so they won't let us stay during the day.

But thanks so much you are saving my life right now

[REDACTED], we will send one of Jeffrey's drivers to come and get you and your 2 friends. May I have your exact address and a cell number for you?

Hi [REDACTED]...I understand you need to come to NY from PA? Best probably to take Amtrak train! Where in PA are you? You want to come tomorrow, Friday July 29th and stay until Sunday July 31st? Please let me know! The Amtrak websit is below...
