Good Morning all,
Attached you find the Latitude / Longitude coordinates for the Blithewood lading
area we have used in the past. If there is anything else required please let me
know. As soon there is a plan as far as arrival and departure I will need to know
to make arrangements with our local volunteer fire department for coverage of
both.
Thanks,

Randy

Hello Richard,

Would you be able to send us the coordinates or a Google Earth pin of the exact
landing spot as well as a point of contact at Bard so that we can set it up on
our end? Thanks.
