Hello [REDACTED]

I m Mira Bach, Joschas spouse. He asked me to reach out to you concerning our flight tickets.

May I ask you if I should book airplane tickets for me and the kids directly at Lufthansa or if you will take care of it.

We would like to fly Lufthansa Frankfurt - Boston on august 24th and back on december 19th. It s just me and the kids because Joschas flight stops over at Canada for another conference. He will still fly back on december 19th Boston- Frankfurt

Just let me know as soon as possible because the flights are getting more expensive with every day.

Thank you very much!

All the best,  
Mira Bach
