Subject: TV

hi [REDACTED],
The TV does not work. I push all the right buttons. It has an inscription on the screen
"check signal cable". I don't know what it means.
I would like to have it fixed if possible by monday as ehud was interviewed by christian
amanpour yesterday and it will be on air on monday :(
Can you please help?

On this occasion - we shall leave on August 2 in the afternoon.

thanks
Nili
