Hi [REDACTED],

Can you round up for me all of Jeffrey's spine images (presumably MRIs only, but if CTs that's helpful, too).

If you could do the following, it would help so much:

1. Send all physical copies of the DVDs/CDs of films to my office (170 E 77th 10075)
2. Please email me all electronic copies of their reports on each film

Thanks so much, [REDACTED].

Peter
