Hi Lesley,
Of course they will leave when they need to leave, but I just want to make sure that they know the opera ends at 5 pm. As an example, at last Sunday's matinee, the bows ended at 4:58.
Blithewood, where the helicopter is, is a five minute drive from the venue.

Thanks,
Catherine

Randy,

The pick up time was updated again to 5:00 PM. If anything else changes we will let you know.

Also Randy, I'm sure you assumed this but we will plan to reposition for the wait to a nearby airport and come back in for the pickup, which has now been changed to 5:30 PM. Thanks.

Good Morning all,
Attached you find the Latitude / Longitude coordinates for the Blithewood lading area we have used in the past. If there is anything else required please let me know. As soon there is a plan as far as arrival and departure I will need to know to make arrangements with our local volunteer fire department for coverage of both.

Thanks,

Randy

Hello Ken...we are being asked the below question from our helicopter service re
landing at Bard...might you be able to provide what they are requesting?

Hello Richard,

Would you be able to send us the coordinates or a Google Earth pin of the exact
landing spot as well as a point of contact at Bard so that we can set it up on
our end? Thanks.
