Below from Maxim

Hello, [REDACTED]

Would you mind letting Mr. Epstein know that I have a preliminary understanding of my schedule for the Fall Semester (starting September 6th). It looks like I would have classes on Monday and Wednesday, and I would be available the rest of the week. I say preliminary because we have an auction system for class selection with Round 1 July 14th – July 18th and Round 2 ending July 25th.

Thank you!

Regards,

Max
