We got home last night at 7pm...drove straight through...ugh...it is hard for me to drive 5 hours...i really appreciate Ike driving even more now! We had a super time. Lost all our games (incredibly) but we still made the best of it. Almost one 2 of them ...lost by 1 point in each. Big storm on Tues. I can tell you more later. I am home today and want to get out for a run...I ate and drank and did NOT workout so feeling very soft right now!

We are here for weekend! We go to the Mets vs Cubs game on Sunday at 1:10 ..meeting the Penze's there. Monday is the 4 on the 4th race and the fireworks at Waveny. What are y'all up to? I know it's just you and Pete!...Are y'all available sat night?

How was your weekend...
more later...leaving soon...
