I called him again at 4:25...I introduced myself again-they knew who I was and why I was calling...the gal said "Dr. Tawari doesn't do much with Dr. Andersson, but let me put you on hold and see what we have"...she put me on hold forever and when she picked back up, she accidentally hung up on me...I immediately called back but only their answering machine answered...I left a message. I will call again tomorrow morning!
