Morning ladies!  
My boss is still in town so I am headed to city but don't worry! Gloryana is at the house and is a pro at making sure all is well! She can totally pick the boys up at 1:15 and they can decide pool or the house. She also offered to take them to sky zone in Stamford or mini golfing in NORwlak. She will keep it fun!

As for tomorrow morning I may have to be in city again...Marie, maybe you should pick up Brendan at 8:30am just in case... 💎💎💎  
💎 ty is looking

so forward to  
today and  
tonight's  
sleepover.  
Thanks! 💎💎

Brendan would love to come - only issue is he needs to be up and ready to go at 9:15 as a friend is taking him to six flags on Friday - what time is basketball in the AM ? This could all work out :)  
Let's play pool by ear - if they can't do the pool - they could come back here for a while.....
