Dear [REDACTED]

**Your iCloud storage is full.** Because you've exceeded your storage plan, your documents, contacts, and device data are no longer backing up to iCloud and your photos and videos are not uploading to iCloud Photo Library. iCloud Drive and iCloud-enabled apps are not updating across your devices.

To continue using these iCloud services, you need to [upgrade your iCloud storage plan](#) or reduce the amount of storage you are using.

[Upgrade to 50 GB for \\$0.99 per month](#)
