the 31st is being taped for Showtime. The first week the shows are 8:30pm with
two on the weekend and the second week one a night at 9:30. Just found out I only
do 10-12 minutes which is great for me!! As far as the other comics on the bill I
think JE should love at least two of them. There are two others also doing 10/12
minutes and the guy closing Brad Williams is hysterical. It can get pretty
raunchy but I think that's what makes it great!!!
