Hi [REDACTED] I followed up with [REDACTED] on the island about the keys... She says the maids scoured the island and have come up with nothing! So sorry.

We are worried that [REDACTED] might have lost her keys when she was in the Caribbean. Can you please check with the staff to see if they might have found a set of keys after they left? It's at least 2 keys with a round fob and a couple of cards.

Thank you,
