**Subject:** I made mistake on G3 Form!

Bebe...today is WEd. ...you are sending out this application tomorrow, Thursday...which mean G3 processes on Friday and they send back to us for delivery either Mon or Tues (my bet is comes Tues)...

I want to ask JE if he prefers the passport be sent directly to PB house vs going to 71st at all...makes more sense to just fed ex back to PB...

I need to fill out the G3 form again and will send to you with updated info...I must change the date he need his passport back as well...so hang in!
