me too! and the Naoko girl did CALL ME! and I asked her to email me her info (which she has done) and Jeffrey will send her a check for \$500...felt a bit bad, but told her I hope she could get some of her other business back and get her \$500 from JE...! (win/win?!)

Hi Soon Yi and Helen. Jeffrey confirmed the \$2500 for both movie biz girls is fine. We will be set on Saturday to pay them both in cash. Thanks. Lesley

As far as I know, we are going with your make up and hair person. I had checked with Jeffrey earlier and he had said that he wanted the people from the movie business. The person my friend recommended for the make up will come another time. Lesley said that Jeffrey is on a plane now so I will just make sure that the \$2500 for the make up person is OK with him. He already approved the \$2500 for the hair person. I hope to have this all wrapped up & good to go by tomorrow morning. I've included Jeffrey in this email stream. Jeffrey please confirm that the price is OK for you. I don't want to spend your money without your approval nor do I want to be held responsible for this charge/holding the bag ;-).

Just want to make sure we're all in agreement. The makeup and hair person I got are fine to come, yes? And the person you found is going there another time?

Originally you couldn't find a make up person from the movie business. You could only find a hair person for \$2500. The make up person that I got through my friend was \$200 a head. Then when you were able to find a make up person from the movie business, as Jeffrey original wanted, that is when we made the switch to use your make up person. I had no idea how much your make up person would cost. I assumed that it would be around the same as your hair person. I hope this clarifies the confusion.

In order to cancel the original hair person, whom we got through my friend, who is not in the movie business Jeffrey has offered to pay \$500 now and she can come and service it another time.

Your welcome.
[REDACTED] had come back to me and said you had said

makeup was \$200 a person, but I explained that I thought that was a none movie person, but I had found one last minute, so that's the rate. She said it should be fine, she has to pass it by Jeffrey who is flying at the moment. Hope there's no issues....
