Below from Feeney and my reply

Heyyyyy. Missed you Thursday. I guess u had so much fun with Paula u forgot to invite me over on Saturday ;(. And then Thursday. Has all my talk of Florida got u moving on to " new" friends ??

Nooooooooo!!! You are on our short list of best friends silly!!!! Sat with Paula was a whirlwind! I did want you to come by but it seemed like it was too late and didn't want you to feel obligated (you probably had some hot date anyway!). Ike was out last TH. I took ty to Gates and he just wished he was home the whole time. This TH is Ty's end of year choir concert! We may force him to have dinner with us afterwards again! Want to join??!! (For dinner. Not the concert unless you were up for it! Ha! They are singing Viva la Vida and Somewhere over the rainbow ...you know I will be crying to both!) ◆
