I, of course, will need to be invited to his island to make sure his health is ok! :)

Hi Dana...I am VERY sorry...but Jeffrey is crazy busy today and is telling me he won't have time for this call we have scheduled at 5:45pm EST...I think it will be best to just wait on this until next week when he is on his island and has more time...I don't want to drive every one nuts...can we please circle back to this next week?
