The person drawing has to be an expert and knowing how to process the blood; spin in, freeze it and ship overnight. That is why we refer you to the ones in the email. It is not our lab, we are one of the online Physicians who consult with patients.

Hi Dana...I just want to make sure...Jeffrey can have any doctor/nurse draw his blood...it is only we need to then send the blood work to your lab in Indiana within 24 hours of the draw...correct?
