> Hi Dana...I am VERY sorry...but Jeffrey is crazy busy today and is telling me he
won't have time for this call we have scheduled at 5:45pm EST...I think it will be
best to just wait on this until next week when he is on his island and has more
time...I don't want to drive every one nuts...can we please circle back to this next
week?

one in your email does not/cannot service NY due to the laws here (is what I was
told)...but Phlebotek can do it...thanks...

spin in, freeze it and ship overnight. That is why we refer you to the ones in
the email. It is not our lab, we are one of the online Physicians who consult
with patients.
