Dear Jeffrey,

Thank you for supporting [REDACTED] Thai Massage training. There is another basic training coming up and the early registration deadline for it is May 15th. Here's a link to the site:

I hope you will be able to support her taking this training and the Putting It All Together - Refinement training as if she completes these two workshops in June she will receive basic certification. There is also an advanced training this summer which I hope [REDACTED] can come to.

Warmly,

Ananda
