-Go to Bank counter ...tell the bank teller you need a Cashiers Check written in the amount of \$275 to "Consulate General of [REDACTED] in New York"

-Tell them you have an account with them, show them your ID...Give them the \$300 to cover the \$275.00. They will deposit the money in to your account then write you the cashier's check. This is a real check from the bank...

-Any questions call me!! :)
