Dear Lesley,

I made a mistake as another person paid for another student and I mixed the names up. So sorry for the confusion. It would be great however, if [REDACTED] could continue her training in which case another payment would need to be made. The early registration deadline is May 15th. If [REDACTED] can take the upcoming two weekends in June she would complete the Basic Certification. Please look at my website for the information on the two upcoming workshops (it is really two weekends only as one workshop is just on a Sunday and the other one is a Fri. night and a full weekend and then a Fri. night and a Sat.).

Warmly,

Ananda

Hi Ananda. This is lesley. I am the personal assistant of Jeffrey Epstein and had signed up [REDACTED] and [REDACTED] for your classes. [REDACTED] revived the below email but we are not aware of paying for more classes or a private lesson? Are you sure you have the correct [REDACTED]? I am also asking Jeffrey if he would like to have [REDACTED] take these remaining courses.

Thanks,

Dear [REDACTED],

Just received a payment from Jeffrey Rich for your next training. That is so nice of him. I look forward to having you at the workshop as well as to seeing you on Mon. at 3:45 for your private class.

Warmly,

Ananda
